Email: _____

STEP 2: REQUIREMENTS

Please select one, and **only one**, of the categories given below (choices A-D). Once selected, please complete the provided questions in a given category to complete this step.

A. New Products

This category will feature technology applications that have been in the market for less than two years.

- Please describe the following: **(100 words or less)**
 - Core function(s) of the product
 - Target market (e.g. owner, multifamily builder)
 - Why such a product is beneficial
- In addition, please provide the names of construction companies that have adopted this application within the last 12 months. **(Not for publication)**

B. Enhanced Products

This category will feature recent upgrades and/or re-releases of technology applications that have been in the market at least three years.

- Please describe the original product and the functions it performs. **(50 words or less)**
- Please describe the following: **(100 words or less)**
 - Details of the improvements/enhancements
 - The resources necessary from the end user to obtain the upgrade (i.e. operating system, implementation method).

STEP 2: REQUIREMENTS (CONT'D)

C. Trusted Products

This category features core technology offerings that have been in the market at least three years.

- Please describe the following: **(100 words or less)**
 - Core product
 - Product functions
 - Target customer (size, type) of the product
- In addition, please provide growth statistics of the product during the past few years in terms of number of users. **(Percentages are not acceptable)**

D. Supportive Technologies

This category features supportive systems and technologies that play a critical role in making core applications, such as project management, work. (Examples: wireless-area network, remote-data access, workforce automation.)

- Please describe the following: **(100 words or less)**
 - Use in a typical construction setting
 - How it compliments core construction technologies
 - How it is deployed and used by companies

STEP 3: MATERIALS

Constructech magazine will publicize winners of the *Constructech* Top Products in its print magazine. When submitting your entry, please send the following high-resolution graphic materials to: **mmayer@constructech.com**.

- High-resolution company logo
 - 300 dpi, .EPS, .TIF, or .JPG format (vector EPS preferred)
- High-resolution photo or product shot that illustrates the submitted product
 - 300 dpi, .JPG, .TIF, or .EPS format (3x3 inches or larger)

STEP 4: SUBSCRIPTION

As a part of your submission, you will receive a subscription to *Constructech* magazine. The subscription will be sent to the contact person listed in the company profile. If you would prefer that someone else at the company receive the subscription, please print that name on the line provided below.

Send subscription to: _____
(please print)

Commercial Residential

STEP 5: APPLYING COMPANY APPROVAL

Please review the following steps and initial the lines provided to ensure your entry has been completed in its entirety.

- _____ I have included payment information.
- _____ A representative from the applying company has approved the ballot.
- _____ I have included with the entry the requested graphic materials in compliance to the specifications given.

Signature: _____
(I agree and accept the above statements)

STEP 6: PAYMENT OPTIONS

The entry fee for each company's primary entry is \$145. If a company is submitting more than one entry, the entry fee for each subsequent entry is \$75.

Please fill out the information regarding the method of payment your company would prefer to use.

All checks should be made payable to Specialty Publishing Co. All checks must be enclosed with the submission.
 Check Enclosed Visa Mastercard AMEX

Credit Card Number: _____
Expiration Date: _____
Cardholder Name: _____
Signature: _____

STEP 7: NOTIFICATION

Please list the best person to contact in regard to marketing within the applying company.

Name: _____
Title: _____
Phone: _____
Email: _____

Please list others within your organization who should be contacted if you achieve finalist status or are selected as a winner (CEO, COO, PR Department, etc.)

Name: _____
Title: _____
Phone: _____
Email: _____

STEP 8: SUBMIT NOMINATION

Entries can be submitted via mail or email. If submitted via mail, all nominations must be received, in full, by the deadline, including the payment information.

All nominations must include at least two signatures. The first must be from the cardholder of the credit card used for payment in Step 6. The second signature **MUST BE FROM THE APPLYING COMPANY**, found in Step 5.

A representative of the applying company must approve this ballot and all of the requirements of submission for the *Constructech* Top Products.

Entries that do not contain the required signatures will not be accepted. Because of this requirement, this final ballot page, and only this final ballot page, with the appropriate signatures, may be faxed to +1 630.933.0845.

Specialty Publishing Co.
Constructech magazine/Top Products Awards
135 E. St. Charles Rd., Suite D
Carol Stream, IL 60188
Email: mmayer@constructech.com

DEADLINE: Tuesday, Dec. 9, 2008

For more information:

Call Michelle Mayer at +1 630.933.0844 ext. 246

Winners will be announced in the February and March 2009 issues of *Constructech*.

This ballot page must be included for the entry to be accepted. If this ballot page is not completed in full, the entry will not be submitted for judging.

Applications require the signature of at least one of the participating company's principals. Judging is conducted by the editors of *Constructech* magazine. Information submitted becomes the sole property of *Constructech* magazine. The *Constructech* Top Products will be announced in the February and March 2009 issues of *Constructech*.
